Study at a  
**Russell Group university**  
in London

# Why choose Queen Mary?

Study in one of the most exciting cities in the world, at a prestigious university with a history of excellence. Queen Mary is so much more than simply an academic and research powerhouse. It's a place where different people and ideas come together, where diversity is welcomed, and where social justice matters. **It's a place where you can make a difference.**

## The Queen Mary campus

Queen Mary University of London has 5 campuses in London, with its main campus in Mile End, a fashionable, well-connected part of the East End of London. Although it is in a bustling, central area, it is also its own self-contained campus, with everything you need to feel part of a student community. This means you'll get the best of both worlds: a large, exciting city, and a traditional campus experience!

## Facilities

There are fantastic facilities at the Mile End campus:

- 24-hour library
- flexible spaces for socialising and learning
- student media suite
- postgraduate study centre
- cafés, restaurants and bars
- Students' Union
- supermarket and bookshop
- QMotion Health and Fitness Centre

Students of Queen Mary University of London also have access to the fantastic sporting facilities at the Queen Elizabeth Olympic Park in nearby Stratford, where the 2012 Olympic Games were held!

About Queen Mary  
University of London

**Minimum English entry requirements:**

UKVI IELTS 4.5 with no less than 4.0 in any skill, or accepted equivalent\*

**Minimum academic entry requirements:**

3 years of higher education in a suitable subject

**Degree entry:** annually from September 2021

## Blended learning at KIC London

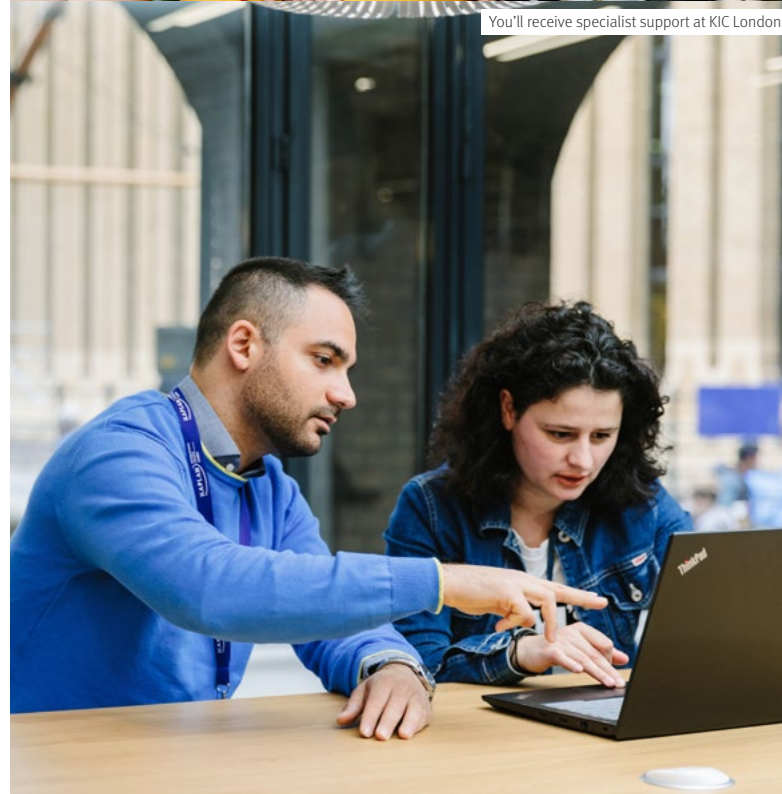

If you're starting your course in Autumn 2020, you can expect a mix of digital and in-person teaching. This blended learning approach will ensure that social distancing and health and safety rules can be observed. It's also possible to start your course online, and either join us in the UK later, or complete your entire course digitally if you need to (subject to continued approval by UKVI). This flexible approach means that you'll get the study experience that's right for you.
